

East Meets West Children's Foundation and Access Dental Centre are joining hands to help young children start the year with healthy teeth and a bright smile. The project is called "Smile 23"

We would like to invite children between the ages of 6 to 12 who may not have dental coverage to get their teeth cleaned and have a checkup at no cost.

Dates: January 7th and 14th

Time: 9 A.M. to 4 P.M.

Location: Access Dental Centre
211-1980 Cooper Road,
Kelowna, BC

Ph: 250-861-8777

Dr. Vikas Raj believes good oral health is very important for children and it is beneficial to start teaching your children about dental care at a young age. Taking care of your child's teeth every day helps prevent tooth decay and creates regular oral hygiene habits for your child.

East Meet West Children's Foundation chair Mohini Singh agrees. The charity will give each child an electric Paw Patrol toothbrush as a gift.

Appointments will take approximately 45 minutes.

Please call to schedule an appointment 250-861-8777. The project "Smile 23" goal is to help 23 children over the two days.

We look forward to seeing you at the clinic.
